

Carl Frederick Bullard

November 26, 1933 - November 15, 2024

Carl F. Bullard, age 90, passed away on November 15, 2024, at the Gardens Assisted Living in Fairfax, VA.

He married his beloved wife Naomi on September 18, 1954. Carl was old fashioned, hardworking, and a pillar of reliability. After serving in the Navy during the Korean War, he continued to serve as a Government Contractor working in many fields. He retired in 1994. Carl enjoyed simple pleasures life offered. Flying his plane, fishing, bowling, traveling, camping with his wife, and spending time with his family. He could spend all day sitting and talking with someone he cared about.

Carl's name lives through his wife of 70 years, Naomi, two daughters Paula and Joan with their husbands. He had four grandchildren, eight great grandchildren and not to mention an abundance of friendships built over his lifetime. His gentle cadence and warm smile will live forever in the hearts of those family and friends who were blessed to have loved him.

“ This is a great memorial photo of Carl...except he isn't wearing his fishing hat which we hardly saw him without. Now that retirement has taken over, Barbara and I have enjoyed seeing Carl and Naomi at the monthly luncheons. A group of us always stayed late to talk over olde times (and current). I've enjoyed the years we have worked together and we are going to miss your wit and conversation. RIP

“ What is a friend? A friend is someone you share the good times with and the difficult ones as-well. Carl, you fought the good fight. You have finished the race. You kept the faith. Carl, rest in peace my Friend.

“ Carl was a great mentor and friend. I worked for him while posting to field service locations around the world. He took me under his wing to teach me how to be a supervisor and manager. His guidance helped throughout out my career with E-Systems and Raytheon. I am sorry for the loss to his family.
