*(Carl) Pappy was a great man and he was blessed with a big family. My grandfather will be miss but he will not be forgotten. He has left many wonderful memories because of the person he was. He was always trying to take care of his family and others. One thing I will always remember is how much he loved his dogs. That's one thing he reminded my brother and uncle before he passed away was to make sure that they would take care of his dogs. I am very proud to be able to call his man my grandfather. He was just an amazing person. I know that he will be a fantastic Angel and he will always be watching down from above. Please don't ever take life for granted and always spend as much time as you can with the ones that you love. Make good memories and enjoy every moment you can. You never know when it's someone's time to go. Fly High Pap..I will always love you and remember the good times we all had together. I'm blessed and grateful for the wonderful family that I have.*
