“ *I started working in Prince William County in May of 2011 and she was one of the smiling faces that I would see every day. I remember Carlene helped me whenever I had a question. She never hesitated to support me and to say hi whenever we would meet. Thanks for the doll that you gave me. I will always remember you. Rest in Peace. Shelley*

“ I will always remember Carlene. She put up a hard fight. At the start of each shift we gave each other such a big smile when we saw each other. I always made sure I was her nurse and she always told me I was her favorite. I will miss our conversations and your gentle spirit, Carlene. I will remember you and keep on smiling!
