“ I so heartbroken of the loss of Carlos. He was like a Grandson to me and such a sweat soul to have around. He will forever be in my heart. May his family and friends find comfort in knowing that others care and share in their sorrow. Gone too soon.

“ Carlos, what a pleasure it was to know you. My have you grown up over the years. You will be incredibly missed by so many. You truly had a major impact on so many people in your short time here on earth. You being gone doesn't seem real. Watch over your loved ones please, especially Aaliyah.

“ *Los, you was such a bright light in a dark world. This seems so unreal and my heart is shattered, since hearing of your passing. You always made me laugh and your energy was always positive. Thank you for being a TRUE friend to my daughter when she need one the most - you was the one there to help her. I can still hear you say "ma dukes." You will be dearly missed and never forgotten. Fly high with the angels, until we meet again.*
