“ *My deepest sympathies for your loss. I had the pleasure of working with Carlton for nearly 5 years at his most recent job. He was always able to lighten the mood with a joke or a smile. He was a kind man who could make the work day not seem as long. I will dearly miss him.*

My family has been praying for your family, that God would comfort you at this sad time.

“ *Dear Rosa & family. Learned of Chuck's passing in the VHPA'S magazine. I was just talking about Chuck last week with Dave Tisdale who I had reestablished contact with. Jill and I are so sorry for your loss and pray that you will find peace by going to the Lord who is more than able to help in this time of need.*

Jill & I talked about the good memories we have of our time at FT. Knox with you guys and the group of friends we had. Chuck's picture with his wonderful smile is just as I remember him. Every time I think of him I can see him doing the "funky chicken" dance that was popular in the 70's & I smile. I believe it speaks highly of a man when his memory brings back nothing but good thoughts and a smile. Good times, good memories, and good friends.

You will be in our thoughts and prayers.

Wishing you the peace that only our Saviour can bring
