“ *Billy: Your mother will always be remembered by the Burda family with the greatest of love. She was not only a good friend of my mother and dad but also to us boys (Rudy, Ralph and I - Ray) and our spouses. She will be greatly missed but is in a better place with your dad and sister.*

“ *I have this feeling there's one more star up in the sky tonight. And even though it's far away, its brightness and warmth still reach us here to make the night a little less dark. With My Deepest Sympathy and sadness.
My mother, Betty Culhane, had been friends with your mother since the early 1960's, in Panama. Although they only sent each other Christmas greetings, I am sure your mother will be missed many old friends.*
