“ *I can't think of Carole without thinking of a Vinte Decaf Mocha Latte with skim, no cream. Few things in this life, with the exception of her two " Girls", brought a greater smile and joy. She and I enjoyed many a country drives talking and taking in the scenery. She particularly enjoyed the change from late summer into fall when the trees changed colors. Thank you, Carole, for being in my life. Love you much*

*Carole, You are one of a kind. Thanks for helping me to stay sober... a relationship that was over 42 years. That is a big chunk of living. You were like a second mom to me. I told you things I could not tell my own mom. You were my daughter's god mother...you were family to me. I miss your physical presence. I miss our jokes and stories together. I am so glad Mo and I were always a part of your life. That is so precious to me. Love you forever.

Tried & tried to send you dearest love & not successful. Just learning of your death. I am living with a daughter in Missouri now. You & I spent years playing Bridge with Doris Harris & Jane Fitzsimmons. Oh, My Dearest Love, we were such good friends. Now I have dementia, am 96, & miss you desperately. Missing you with a memory full of holes. MaryPage Mason Cobb Drake.
