Our family greatly appreciates every expression of love and sympathy shown during our time of bereavement. My mother's memory is our keepsake with which we shall never part. God has her in his keeping. We have her in our hearts. May God continue to bless each of you and keep you in his care.

Carol was part of our family for many years during which she took care of our house and ourselves in the Panama Canal Zone. After leaving home and living in the US & Switzerland, we kept in touch through letters and hers were a joy to receive. Carol was as good a person as I will ever meet, I am sure, and I am thankful and proud to have known her. RIP, dear Carol.
