“ We will always treasure the twinkle in his eyes, his happy face turning the corners on barely two wheels when cutting his fields. He was a hard worker, staunch survivor, loving proud husband and dad/granddad. They just don't make 'um lake that anymore. He will be sorely missed. With great regards to his loved ones. “ We are deeply saddened to hear of Carroll's passing. Our thoughts and prayers are with all of you. I will never forget my years on the farm and Carroll's "larger than life" presence there. I have many fond memories of working and living on Greenville Farm. I will never forget the many things I learned from Carroll. He helped turn many a young boy into men. There are a lot of us that are grateful for that and will all miss him.
