“ Catherine crossed my mind this morning and I thought that I would search for information, sadly I found that she had passed away. I just want to say thank you to a woman that served as a guiding light to a young girl far far away from home, away from family...I appreciate the talks and advice that she pgave me back then...I still cherish this today. To the Dufrane family...she spoke of you so lovingly...please continue to cherish her memory and be blessed.
