“ Al, Jeff, Greg, I know the pain you are feeling, having just lost our Gary recently. To us, Cathy was more than a friend, she was family. She was a surrogate mother to our kids--Cathy, please give our Gary a big hug for us and let him know how much we loved and miss him. Al, Jeff, Greg, and all of Cathy's loving family, you are all in our thoughts and prayers. Rest in Peace dear Cathy.

“ I send my sincere condolences to the Lloyd family. I worked with Cathy at Global One/Equant. She was a pleasure to work with and could light up a room with her warm smile and quick wit humor. She loved her family and spoke of them often in the office. Your family is in my prayers.

“ My deepest sympathy goes to her entire family. I grin, as I recall her smile as she spoke of them every day. Not only was Cathy a co-worker to me, but I truly felt as she was like second mom to me. I am blessed to have known her as she touched my life in so many ways. Her smile, her love for her family, her laughter...she was a hoot. Thank you Cathy. You are missed so much and by so many.
