“ *Mamie, thank you for always showering my girls' and I with so much love. Mom and the girls' (and me) are going to be so lost without you, but I will be there to help them through this difficult time and will remind them of all the good times we shared together. Your loud, projected voice and contagious laugh will be just a few of the things that I will miss the most about you. Rest easy Aunt Mamie and tell all of our loved ones that we miss and love them. Until we meet again... I love you <3..... Mandy*

Mamie I'm still having a hard time believing that you're gone. I'm going to miss you so much. There won't be a day that goes by that you won't be loved and missed. We were especially close these past few years and we had a lot of good times planting flowers, going shopping and just spending quality time together. I want you to know that I'll stay in touch with Jamie and let her know that I'm here if she needs me. Please say hi to Mom and Dad and Jr and Molly and if by chance you run into Jim, will you tell him that I love and miss him so much. Spread your wings and fly now. You're free, No more pain. I love you.
