“ *Daddy,*

*Where do I begin? There are so many memories, from the time I
was born to my sixteenth birthday to my high school graduation then
my wedding & the birth of your grandson Sammy. You were there
for it all. I always knew that when I needed someone to talk to,
whether it be my father or my best friend, i knew that you would
always be there. We may not have always agreed on things, but
you were always there for me. You may not be here on earth now,
but heaven has gained the most precious angel that ever live &
heaven is richer now for the reward it has recieved. May you always
be lifted high in the light of the risen lamb. I sincerely love & miss
you & I always will.*

Love,

Tara
