“ *Charlene's Mother, Patricia Rafferty was my first cousin and one of my favorite cousins. She and I were very close. I fell in love with her little daughter, Charlene the minute I saw her. I remember when she took her first steps.*

Thank goodness for Facebook Charlene and I kept in touch with each other thru Message and texting. Always promising to come visit each other. Something always seemed to prevent this from happening. Life!!! I have always carried her in my heart and will til the day I cross to the Otherside and she and I will finally celebrate our time together! I love you precious Soul so very very much!

“ *I have fond memories of Aunt Charlene visiting us in Texas. She was a beauty and she shared stories of her exciting life adventures. She had a fashion and beauty bone like the movie stars! She will always have a place in my heart. Love, Danielle*

Charlene, you were a good and caring friend when we were neighbors in Clifton circa 2011 to 2014. You definitely were a wonderful person, always kind. So sorry to learn of your passing quite a few years after the fact. Good to know you are with our Lord Jesus. It was nice to meet your daughters, sons-in-law and grandchildren that time at your 2012 party when you invited my friend and I to come over. May the Good Lord watch over and bless your sweet and wonderful extended family, a very good reflection on you as their mother and grandmother. And may they preserve your precious memory as the truly wonderful person you are, when you were here with us on this mortal plane. You are missed, but we take comfort in your faith in Jesus, our Blessed Hope to see you again anew in the Kingdom of God.
