

## Charles Barnes

January 11, 1950 - July 28, 2006

Charles Julian Barnes, age 56 died on Friday, July 28, 2006 at Prince William Hospital, Manassas, Virginia.

Mr. Barnes was a Program Manager for NASA.

He was preceded in death by his father, Ray Barnes and by a brother John Barnes.

Survivors include his wife Gayle Marie Barnes; his sons Jeffrey, Corey and Evan Barnes; his mother Maralyn Barnes and by his brother Norman Barnes.

A memorial service will be held at Price Funeral Home, 9609 Center Street, Manassas, Virginia on Thursday, August 3, 2006 at 3:00 P.M.

In lieu of flowers the family suggest memorial contributions be made to his favorite charity which he contributed to: The American Diabetes Association 1025 Connecticut Ave. NW, Suite 1005, Washington, D.C. 20036.

Online condolences can be made to [www.pricefh.com](http://www.pricefh.com).

MP

“ I was so sorry to hear about Charlie's passing. Charlie was my NASA HQ Point of Contact and I truly enjoyed working with him.

*I hope you find comfort in knowing that Charlie was respected and liked at NASA. I wish you well and will keep you in my prayers.*

*Michele*

“ We offer our sincere condolences to the family of Charlie Barnes, who was our friend, our coworker, and a deeply missed part of the NASA Advanced Life Support Community. Charlie was a mentor, a visionary, and a leader that led us to greater heights in developing methods and techniques to promote long term life support. When we think of him, we remember his compassion, his dedication, and his tenacity to do the right thing. Charlie will be missed, the void of his passing will not be filled, he cannot be replaced. His words and thoughts will be ever present in our future thoughts, because his influence and wisdom are now ours, just because we knew him.

“ *Your grief may ebb and flow. It is said that each of us who grieves has a well that is filled with tears and on certain days that well seems to overflow. There will be anniversaries, holidays, birthdays, and other days when that well will seem to overflow.*

*The Compassion Helpline is a counseling resource available 24 hours a day, 365 days a year. It is staffed at all times by licensed professionals who are specially trained in grief counseling. All staff members have advanced degrees - either Ph.D.s or Masters in Social Work. By calling the toll free number, you or members of your immediate family can talk at any time to these professionally trained grief counselors, who will support and guide you through this difficult time. The Compassion Helpline 1-800-480-1234.*

*Finally, the Compassion Helpline counselors maintain a network of therapists and support groups for which individual appointments can be arranged (at your own expense) should face-to-face counseling be desired.*

*I also recommend "The Grief Recovery Handbook" by John W. James and Russell Friedman.*

DJ

“ I met Charlie in 1995 when he was working for USRA. We were earlier in our careers, and we shared thoughts about how to get ahead. I knew him to be an ambitious, energetic professional with a passion for NASA's human support activities. He was very active with the ICES conference, bringing in many papers as the organizer of several sessions. He was later a key individual behind the Habitation conference. Charlie was also a good friend who enjoyed trading stories over a beer. I know he would want the rest of us to continue making progress in the areas of NASA that he loved.
