“ You and your family are in my thoughts and my prayers.

Still

*Looking around, still you see
Him standing there looking at thee.
His smile you see wherever you go.
It seems to say he wants you to know.
Wherever you go, whatever you do
He will be there walking with you.*

*You walk, not alone, but sometimes feel so.
It is hard to continue daily even though?
You know that he has moved on, away from this place.
You know that you cannot really see his face.
But you shall not forget the smile that he shared.
The love that emanated showing that he cared.*

*You remember the times you had shared together.
You remember the sorrows and tears that were weathered.
You long for the days when together you will be
Laughing, smiling, sharing together again you and he.
Memories of your love will help keep you strong
Until you will be together again all the day long.*

*My condolences,
Diane*
