“ I knew Charlie when he was a Fairfax County Inspector until he retired from there and then went to Stafford County as an inspector for a SECOND retirement check he told me!!! I have sooo many fond memories of Charlie as my R.U.P. Inspector in Fairfax there isn't enough space on any computer to hold it all !!! He taught me so very much about life AND site work he was invaluable as a friend and inspector, I ADMIRERD him greatly as both!!! I would even go so far as to NOT call in an inspection while he was off or on vacation we would work it out!!!! The last time I saw Charlie was near my home in Stafford and he was in his little white truck just like the years on the job, it was sooo very great to see him, anyway I asked him what and the world he was doing STILL working and his response was PURE Charlie " Son i am married therefore I am still working and always will " ! In non Charlie language that meant man I LOVE my wife with all of my being and want to make sure I can get or provide her with EVERYTHING she wants!!!! GOD bless you Charlie and I thank you from the bottom of my heart for EVERYTHING you ever helped me with and even more for what you taught me, and most of all I thank you for your trust which meant a LOT to me !!!! There are a LOT of other building Superintendents that owe Charlie their success on the job as well!!!! NOW you can Rest In Peace old friend, we are not far behind and I look forward to the day I see you in heaven and we can tell hunting stories and talk job stuff like we did for MANY years !!! GOD bless to Charlie's family I know for a FACT he loved you all more than life itself because YOU ALL are the reason he continued on, plus he was just plain TOUGH as nails yet sweet and tender as a Rose Bloom and im so proud to have known him and all sides of him ! You all should be VERY PROUD!!!!!! I will miss you Clatterbuck, Mark

“ *Charlie Clatterbuck was well respected as a building inspector in Stafford County. His knowledge and professionalism was always present when working with people. He was one of the hardest working men I knew and would always help anyone in need. We all saw Charlie not just as a co-worker, but concerned him to be a true friend. Jenny we are truly sorry for your loss and are deeply sadden by his unexpected passing, he will be sorely missed by the building department of Stafford County, but above all else please know we all loved Charlie.*

“ Our Sundays will not be the same without our good friend, Charlie. He was one of the first members we met and invited us to help in the kitchen on Sunday's and it's been a ritual ever since. We also loved playing poker with Charlie. Always a good sport and a spirited player, we learned to worry we he would say, "I believe I'll bet the table minimum-just the minimum bet." And the conferences we shared...truly memorable and full of laughter.Charlie loved to laugh. We will miss you dearly.

Charlie, you were always a pleasure to be around. i always had a laugh in me being around you. Some Sundays I didn't want breakfast but you allowed me to make a donation. When there was leftover food you let me make a sizeable donation so that the food wouldn't go to waste. You are surely missed my friend. You talked me into joining the moose one rainy Saturday night years back and I thank you. You were very welcoming and how could I not join after meeting you. R.I.P my friend.
