“ *My sisters Terry, Nancy and I went to Annandale High School with Chuck. He was a friend to all of us then. He reached out to the Wilson sisters many years after graduation to reconnect. We saw him at reunions and he made us smile. He was a sweet guy and good friend. He will be missed. Our prayers to his family.*

“ *Chuck always took the time to really talk to people, to care about how their day was going and to make them laugh. We shared some silly joke about Costco because we were always running in to each other there. He was a treasure in our working environment because he treated his colleagues as though each of us mattered. My prayers to your family.*
