“ Ted Sr was one of the most down to earth, kind heart'd man I knew! I have so many fond memories of him and his family. My few favorite memories of Ted would have to be spending the weekend with him after Greg and I's son was born ans he spent the whole weekend riding with him on the tractor, the smile on our sons face was priceless, letting him ride, and drive, he treated our son like his own grandson and welcomed myself into his family with open arms. I still remember the look on his face when Greg and i told him about the blessing of his beloved granddaughter Isabella Noelle, he could have been the happiest granddad in the world! He loved that little girl like no other and would do anything for her. The weekend stay overs with the kids he would love to take all the kids out and play on the tractor, four wheel etc. He was a very happy spirited man. I have to say I do so much and I am always gonna miss our sitting on the porch just chatting about any and everything. I have to say that we are going to forever miss you, and will never be forgotten. Thank you for all you have done for my family and I. You were there for us when nobody else was. Jenn, Ted Jr, and Ms. Bella our condolences go out to you, and you know we are here for you when ever you need. Love you all.

“ Big Ted was a dear friend and like a father to me. he was a strong heart'd man he was there for me and never showed a sign of being upset. That's how he was a strong heart'd man I admire him for that and learn he would be upset if we moped around because he is gone but not for gotten, he loved Bella he would want us to remember him in his happy time laugh and enjoy a celebration of his life he has touch a lot of us he would do what ever he could to help you he will not be forgotten. I love you and miss you, you will always be in my heart. -Greg Genotti Jr
