“ With deepest sympathy to Debbie and David and the family. Your mother was one of the best school bus driver in PWC. When ever we (my siblings and I) had her that school year we were please (going back in the 70's). Some of her students will call her "MOM" cause she cared about them. I know cause I was one of them. She will say something nice to me to get me to smile when ever she saw that I was crying. I will see her now and then at the Nokesville Hair Salon and ask how's everything with me and my family. What a beautiful lady! Always caring about others. We all will miss her but now, she earn her wings and flying with her beloveds in heaven.

“Charlotte was an amazing sister in law. We had a great time riding to and from church on Sunday mornings. We had great conversations about family. She loved her family very much. It was fun going to her house and playing dominoes with her, Lewis, Debbie and Terry. She will be greatly missed by everyone that knew her but she's in a much better place. She's rejoicing with her husband, Lewis and the rest of the family and waiting for the rest of us to join them in that wonderful place. I love you Charlotte!
