“ Mark, Shari and Travis...we were shocked and saddened by our loss of Chase. We have such good memories of all the kids on Linden Creek but we always especially enjoyed talking to Chase. We will keep him in our hearts and memories and think of a more simple time when it was all about playing and having fun. Our heartfelt sympathy to you and your family at this difficult and sad time. I am very touched by the passing of Chase. I worked with him at Walmart while we were setting up the store. He was such a good person, always willing to go that extra mile to help you. I worked with him other times as well. He stopped by Customer Service to just ask how things were going after he left the store. I have Grandson's older than Chase, that was partly why I admired his way with older women. Always spoke kind words and was so polite. I am sending Prayers to his family, that God will see them through the loss of their loved one at this time of year that is meant to be The happiest time of the year, celebrating Jesus.. Rest In Paradise Chase. Until be meet again, I will never forget you.
