“ *Puga you are so magnificent. You are so important. And you have been so important in shaping me into the person I am today. I understand if you don't want to fight anymore, but I love you so much. And I couldn't ask for a better grandmother to teach me valuable life lessons. And even though you'll be gone, I will carry you with me forever. I know you are in pain, and you know that I'd do anything in my power to stop it. But I refuse to say goodbye. For now, I'll just say that I will see you soon. I will hold you with me until the day I am ready to pass. I love you so much. And it's okay not to fight anymore. See you soon. You will always be my Puga. I love you, Abby*
