

Cheryl Lee Tobey

January 25, 1947 - June 22, 2021

Cheryl Tobey passed away surrounded by family on June 22, 2021 after a long and courageous battle with many ailments. She will be remembered for her passion for life. She relished being a Grandmother to her four grandchildren. She and her husband, Tom, raised two daughters who brought them many cherished moments. She and Tom were just shy of 55 years of wedded bliss. Though she is at peace and out of physical pain, Tom will sorely miss his "straight man", and, as an angler, "the catch of a lifetime".

In lieu of flowers, Cheryl would want all who grieve for her to do something that brings them joy, and then smile and say her name in remembrance.
