“ There are so many of different types of people in this world that when you get to be blessed by knowing someone like Tina, you really know what a loss it is when they are gone. The selfless compassion that Tina always shared was something we can all try to emulate. She opened her heart, her home to help so many. It is truly our loss of her that we mourn. In the end, she was suffering so much. We are grateful that her suffering is over, and celebrate having been blessed to have known such a wonderful friend. Rest in Peace, Tina. We love you.  
Hang in there, Scott, and please let us know if there is anyway we can help.

“ Christina Wood was one of the sweetest most compassionate individuals I have ever met. Although I was only blessed to be in her presence for a couple of years, She left a mark on me and my children. She was so willing to help in times of need, She was so understanding and radiated with kindness. She will truly be missed, and will always have a place in my heart.

“ *Tina was my best friend. I have so many great memories of her, it's hard to pick just one. She was such an amazing person, in so many ways. She was kind to everyone...she would give you the shirt off her back if you needed it. She was funny...Her goat boy impression was the best! She had a brilliant mind...she worked her way up from teaching to heading up a group of people for a major government contract. And she loved everyone...she did not discriminate...she treated everyone with respect, no matter what race, religion, or lifestyle. She was a beautiful woman, inside and out. She was always there for me, and I tried my best to be there for her. I am blessed to have had such an amazing woman in my life. My life was better with her in it. I love her so much, and don't know what I will do from this point forward, without her in my life. I know that she is safe in God's arms, and free of pain, smiling down on all of the people she loved. Rest well my friend...you will be greatly missed.*
