“Walter and family, Chuck and I are devastated to learn of Christine’s death. We have so many happy memories at Long & Foster with “our sister”. So so sorry we could not be there for her funeral, as we were in Okla.

I can’t imagine the world without Christine. Please know we will be praying for you Walter and family. May God give you strength to get through one day at a time.

“ Dear Walter - My heart aches for your loss because I know first hand how it feels to lose your spouse, lover, soul, & BFF! I wish I could take that pain away for you & your children but unfortunately it does not work that way. However, in the coming days know that you can call me anytime day or night, I will be praying for you and your children and I love your family very much! On a selfish note, my heart is deeply hurt and sad today that my Yaya L & F Sister is gone. My life will never be the same again! I will miss her forever! Fly High Christine and when you see my precious love hug him tight for me! See you soon Girlie!

Dear Walter, Colleen, MaryHelen, Andrew & Family,
Christine was such a beautiful caring neighbor & know y'all will miss her. 🧑‍🦯 We lived on Lone Eagle Ct on the corner & Christine stopped by to talk if our family was outside or waved with a big smile as she or she and Walter drove by. She always talked of her family and how proud & blessed she was with homecoming visits and vacations. Sharing of their time as sweet neighbors to attend our military celebration, cou de sac 4th of July or mom and daughter tea parties... The Johnson family was there as part of our family encouraging and celebrating when we were in VA. She will be missed & we are thankful she was an earth angel shining her light. We were truly blessed by her!! Celebrate her life as she was beautiful inside and out! 💕 Her light shines on as a sparkling star and angel in the heavens...
