“ *My prayers go out to the Snead family. I've known Chris since the end of middle school, as I recall. In class, he always knew how to make me laugh. He should have been the senior class clown. haha. I've tried looking him up on facebook for about the past year to see how he was doing, but could never find him. He will always be remembered by everyone who knew him. He will be missed terribly. To make a little light of things... he ALWAYS made me laugh. he always had a joke. I haven't kept with up him since, but I hope that everyone is keeping strong in this time of need. Its very unfortunate this had to happen to such a strong man. Love to his family, his wife, and his children. Sarrah*

“ our deepest sympathies are with the family during this very hard time. I was a childhood friend from Grapewood and my mother was Chris' babysitter for a time. Chris is I'm sure getting a great big hug from Mrs. Kathie right now in heaven.

“ *Words, however kind,
can't mend your heartache:
but those who care and
share your loss wish you
comfort and peace of mind.
May you find strength
in the love of family
and in the warm embrace
of friends. I'm so sorry...*
