“ *Your devotion to your family was nothing short of incredible. Your love for them has always shown through them and will continue to do so. You were like a second mother to me during high school chorus events, treating me like your own son along side Stephen. Seeing you and my own mom together in Canada... she still often recollects that trip fondly.*

Stephen, Lauren, and Pam, your mom was a wonderful lady. She was lucky to have you as her children. My thoughts and tears are with you.
