“ Family-I am so sorry of your loss. Please accept our sympathy and we pray that GOD will comfort you during this time. Your dad was always mentioned in my dads stories of their younger days as kids. I still remember our trip to see the fireworks when we all packed into to my dads black Lincoln.

“ To the Entire Fry Family - We all have shared MANY great times together as a 'family' in Haymarket. I was glad that I was able to visit with your father on Easter Sunday and share some wonderful family tales with him. He smiled and we had a few chuckles together! My deepest sympathy to 'our' family for this loss. May the many memories of 'our father' provide you comfort today and in the days ahead. Love, Doreen
