“Debbie and Rick, the times that I spent at your house bring back many fond memories, as your mom and dad were like second parents to me. They were always joking and laughing together, and with us, as well. We had many good times swimming in your pool, especially when MOOCH would throw us in! Your dad had a fun loving demeanor, and a great sense of humor! I can picture him in heaven, with your mom, keeping everyone giggling with side splitting laughter! He was a wonderful fellow, and will be sorely missed in the days to come. My thoughts and prayers are with u both during this time of grief.

“Rick and Debbie, how many years.? Clarence and Doris were one of first friends when we moved herein 1967. Vince went to Vietnam in 1968 and they were supportive and a help to me in that year. Clarence came many times to fix my plumbing problems. They would drop in to visit and were always welcome to have a beer and chat. We moved to Minnesota for ten years and had many conversations and stories about the Vikings and MN. When we came back we renewed our friendship. Then I was privileged to enjoy the pool on those hot days. I am so sorry to lose first Doris and now Clarence. Brian also sends his condolences. See you on Monday
