“ *Jane and June,*

Our sympathies to you both on the loss of your dad. He was a great guy. We always enjoyed stopping to chat with him on the porch. Buck would share one of his many stories or listen to one of ours. Years ago, I remember sitting on top of your "new house" when it was being built and your dad bringing us candy from the A and P. what a sweet guy. So many fond memories of your dad and mom. Buck, thanks for the rides to and from Madison with June, your delicious eggnog, and being a part of our lives. We will miss you.

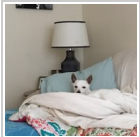

*Love,
Jeanette and Rodney*

“ *Buck was one of a kind -- a great man, friend, and father. Glad I had the chance to know him for the years I did and happy to have been a fellow Manassas Host Lion with him. You will be missed, Buck. Manassas will never be the same.*
