“ I met this great man, briefly, as I went to celebrate his daughter’s master’s graduation in Maryland. I leaned toward him and said “Dad, I hope Laura takes good care of you all the time”. He looked up to me with a grin on his face and said “All the time, all the time”, nodding in affirmation. This might seem to some to be an ordinary exchange, but to me it felt like a father talking to a son and it warmed my heart. Now he sleeps in the Lord.

*So sorry Mrs. Hope Hampton, Kevin and Laura for this great loss. But let this be your comfort that our Heavenly Father will never leave you nor forsake you. He is your comforter and beside you all, as ‘Dad, Sparky’ sleeps in Him.*

“ We met “Sparky” when I joined the Signal Hill Lions Club in 1994. While I was between jobs, I worked with him about a year with his business, Sparky’s Home Improvement. I learned a lot from him about laying ceramic tile, roofing and painting a house, plumbing, breaking up concrete slabs, etc. He had a heart of gold once you got by his gruff exterior. He would do anything for you within reason and all you had to do was ask. My wife Angie and I treasure the times we worked with Sparky during the Lions Club fruit sales, the 4th of July at Signal Hill Park selling snow cones, popcorn, funnel cakes, etc. Our prayers go out to the family and friends of Claude “Sparky” Hampton.

“ Sparky Hampton was a good man with a huge heart. He loved his family and he loved his friends. No one will know all the kind and generous things he did for others. Yes, he could growl at you and he could also wrap you up in a big bear hug. He always had the best intentions whatever he did and whatever he did he wanted to do well and with pride. I consider myself lucky to have been his friend and I will miss you Sparkyman.

“ and Jesus said: Welcome home my trusted servant. If you ever met or knew this hard working man average in structure, a bark, that could make a Marine flinch , but a heart as wide as the ocean. I will always cherish being his friend and working with and beside him , serving the community of Manassas Park, and Yorkshire for over 20 year in Lionism .
