“ I worked with Coleman for many years at Lowes of Manassas. Boy, could he sell some appliances! He was a very kind and sweet man and will be missed by many. I would always make him a strawberry cake for his birthday. Prayers for his family.

“ Colmon was a loving and caring husband, father, grandfather, great-grandfather and brother and brother-in-Law who enjoyed spending time, laughing, sharing stories and joking with his family. He also loved coconut cream pie and my sweet potato casserole which I enjoyed making for him. He always wore a smile and I always enjoyed being around him because he was so full of love, laughter and life. I know he is in heaven kidding around with his brothers, Don and Ted.
I will miss this dear man.
Love you Cokie!

“ Colmon was one of the most positive people I ever knew. I'm certain his "feathers got ruffled," but whenever I was around him, he always handled life with a smile and usually something funny. Colmon, you will be missed, and you deserve your place among the angels. ❤️
