“*The Lord Has called on Connie.*

My dear friend Connie we will all miss you.

I worked with Connie at Kaiser Permanente for many years caring for people in the community and we both helped nurses with concerns at work as Shop Stewards for UFCW Local 400.

Connie and I have traveled together and have been great friends.

When I needed her support she was there for me and when she needed my support I was there for her.

Connie was an outstanding and dedicated nurse and a wonderful and caring friend.

Connie my dear friend you will be missed and some day we will meet again.

“ I worked with Connie at Kaiser Permanente for ten years. She headed one of the busiest units as team leader. I admired her caring and patient personality with patients and staff. The loss of her mom and dad was so difficult for her, yet we helped her with love and caring like she cared for us. She gave her all to her colleagues. Although moving out of the area and new position, I missed her smile and professional presentation. Love you Connie!

“ *Connie was always so sweet and thoughtful. When my mom was living at Sunrise Assisted Living, Connie would give me hundreds of beautiful Christmas cards and Valentines each year to share with residents at Sunrise. She always made so many that I was able to share with multiple locations. All the residents appreciated it so much! Love, Cousin Elizabeth Dailey Rivera*
