“ *Can't believe it's been almost a decade since you died. I'm still thinking of you, even though we've gone from poking each other with pencils in Math class, to me ripping my hair out while doing my taxes like a lame adult.*

Catch you later, my friend.

“ My birthday is coming up in 20 days Connor, and all I want for my birthday is you; I want my big brother back. Unfortunately, there's nothing I could do to bring you back, but I do have a simple birthday wish. I wish that one day, we'll see each other again, and I hope you're thinking about me as much as I'm thinking about you. I love you, and I hope I get to see you in my dreams.
