“ *Connie was an awesome lady who had a kind and generous heart. I met Connie because of her great love for her cats. She always gave them the best care possible. I remember when we were building Deepwood Veterinary Clinic and we had hit a "dry spell" in between construction bank loans. She let me borrow a good sum of money on little more than a handshake and a promise to tide us over. Without her great generosity I might not have been able to get the clinic completed.*
