“ Connie, Tom, Annie and family,

My heart is breaking for your loss. Corinne and I have been in and out of each others lives for more than 30 years. No matter how long between communications, when we got back together it was as if we'd never drifted apart. Her bright smile and twinkle in her big eyes could not help but make you smile back. I know Heaven received a special angel because she was a special person to everyone who knew her on earth. Love to you all,

“ Dear Connie,

I am truly very sorry for your loss. I had the pleasure of meeting your beautiful daughter when, I was working for Long and Foster and I remember when she was going through a rough time with her previous cancer episode in the 90's.

May God comfort you and your entire family as you go through the toughest time ever for a Mother.

Also, please remember to take care of yourself at this tragic time.
