“ Dear Chris,
I was so sorry to learn that your mother had passed away. She was a member of the Good Council Mother's Bowling League when I joined in the mid 80s and I played with her for most of 10 years. She was one of the most cheerful persons I have ever met. She also was one of the most considerate which led her to give me a set of bright red shoelaces for my bowling shoes when the ones I had broke. When I returned to bowling (in another league) in the early 2000s I was reminded of her when I took out those shoes with the striking laces. I still use them weekly and so think of her often. So sorry to have lost track of her when she left the Mother's league. Good thoughts and prayers follow her and your family.

“ Dear Chris,
I am so sorry to learn of the death of your mother. She was a good friend, always cheerful and smiling, such a joy to be around. I was particularly sorry to have lost touch with her when she moved, as were all her bowling colleagues. I know she adored you, Julianne and your boys as she spoke of you often with great pride. I watched her care for your Dad all those years without complaint and am comforted in knowing that she is finally at peace with him in the arms of our dear Lord. My thoughts and prayers, as well as those of the entire league, are with you and your family at this difficult time.
Sincerely,
Claire Lawless

“ *Will miss Aunt Corrine but I know that she is at peace and with all her loved ones who have gone before her especially Uncle Al. She had the most amazing smile and laugh, always had a kind word for everyone she met.*

Chris & Julianne ~

We both so loved your mom, and she will always have a special place in our hearts. She was one of the most loving people I've ever known, and reminded me of my own mom in so many ways. I'll never forget how when Tom and I got engaged, she was so wonderful to us. She invited us over for dinner to celebrate (steak and champagne), and could not have been more welcoming or sweet to me as I joined the Mettee/Manilli clan. She had a way of making everyone feel special, and it was so genuine w/her. That evening was the first of many that we spent w/her and your dad, enjoying their funny family stories, laughing, and playing cards. I know there is a great game of Screwy Rummy going on somewhere in Heaven right now! Our love and sympathy to both of you, and to her beloved grandsons. We were all lucky to have had her in our lives for a time.

*Love,
Erin & Tom*

Dear Chris and Julianne,

Your former neighbors on Elnora St. were very sad to hear of your mother's passing. Barbara Douglas, Dietlinde Dasch and I had some lovely visits with her at the nursing home and were just about to plan another one when we heard the news. She was a wonderful, caring person who took care of your father and so many friends over the years. She had a great sense of humor and the most beautiful smile and twinkly eyes and she was the best dresser on the block! We all miss her and we send our sincerest sympathy to you and your family.

*Hugs,
Judy Treanor*
