“ I've known Courtney since high school and we've shared many memorable times together. I miss her already and can't believe she is gone. I find some comfort in knowing she is in a far better place now headache free, and yet there is pain because I would rather have her here with us. Please know that my thoughts and prayers are with you.

“ Although I did not know Courtney, I feel overwhelmed by all that she and her family went through - and all that she had accomplished in 24 short years. My father, Denny Moore, and Courtney's dad, Ron, worked together for many years and are good friends. My prayers go out to Ron and his family. Always remember all that was good in Courtney's life. God bless you all and may the healing of God's touch and love surround you at this time and always.

“ Even though I knew Courtney for years growing up, we didn't become good friends until about five years ago. I am grateful she blessed me with the gift her her friendship, understanding, laughter, smile and memories. My thoughts and prayers are with you

“ My prayers and thoughts go out to the Bailey family - Courtney was a wonderful friend and we miss her terribly. I am so glad we got to see her Monday night - we had such a great time and it means so much to us that we got to be there with her. I know that she is now somewhere where she is no longer in pain, and that she is looking down on us from Heaven. She will be truly missed - she truly was, and is, an angel.

“ I've spent the last 8 years talking to Courtney on the phone everyday and we all know how she loved to talk, so sometimes we would speak 3-5 times a day. We did everything together and it is so hard to imagine spending the rest of my life without her. However, I know she is still with all of us watching over us. Bailey family, I am so sorry. Courtney was such a funny, unique, and loving person because of you. I admire you for raising such a wonderful person. I will miss her and love her forever!

“ I didn't know Courtney but I worked with Ron at Expanets. He would share many stories about his children with me, especially Courtney. Our prayers and thoughts are with the Bailey Family.
