“ Brad, I am sorry for the loss of your brother. We have been in far corners of the world in the years since our youth, but I always think of you as one of my first friends in Ft Pierce/White Cty, and I remember your looking up to Craig as kid. My condolences to you and all of Craig's family.

“ *My fondest memory is waaay back when Craig used to transport me and Renee back and forth from Manassas to Tysons just so we could spend time together. I had moved to Tysons Corner from Manassas in my freshman year of high school. Craig worked in Tysons and would either bring Renee with him in the morning, or pick me up after work. While that is CERTAINLY not the only memories I have of Craig, since I first met the Andersons in the early 70s', it is the first that comes to mind. I love you!*
