“ In my quest to look up old friends, I was both Shocked and Saddened to see that Craig had passed. I first met Craig in the late 80's. Back then he drove a white Toyota MR2 sports car and I drove a Mustang GT Convertible; so our initial connection was over cars. As our friendship grew, we went on a few trips together; one very memorable trip was to San Diego, CA. with myself and one of his girlfriends. We would go to the beach all day and then Dance and Party until our Young butts collapsed with exhaustion in the Evening!!! 🤔. He was also a Solid friend to me when I lost my father to a sudden aneurism. He never left my side when it came to giving me a shoulder to cry on. And When I was building my Duplexes, Craig got me an Astonishing Deal on “discontinued” hardwood flooring for my rental units from the flooring company that he worked.... And he even told my contractor, very kindly, about how to lay the flooring down properly... lol !!! He just wanted to make sure that my flooring looked Awesome. Craig was always a very caring, loyal and Trustworthy friend to me. He was a one of a kind Friend. And I Truly became a better Friend and Human Being because of knowing him. He both taught me and showed me through his Actions that kindness, integrity and honesty are what is Most Valuable and Important when it comes to your work ethic and your own personal relationships. Craig was also the first friend that I had ever met that made me feel both appreciated and cared about. Hell, ... He even named one of his dogs after me; (Koty) lol 😭 Craig was always smiling, positive and happy. And he was a lot of Fun.... ; as we would drive real fast in our cars on back roads and just make a day of it on Sunday's. I will Always remember Craig fondly! To this day, Sometimes when I get angry or upset with a situation or with another person, I will think about Craig and how he would always handle any bad situations with a Smile.

*I love you Craig! The World has lost a Great Human and I have lost a Great Friend.... I will see you again in heaven.
Rest in peace my friend!!!

“ *I think of Craig every day and miss him in my life. I have so many happy memories of the jokes we played on each other growing up and the funny stories he would tell. He always put others first but he'd never let you get away without listening to one of his favorite tunes! He was brilliant and complex with his complicated jobs yet he spoke like it was the most simple task if you followed his steps.
LOL!*

Thank you everyone for your posts. Craig was the worlds best older brother! ... and I'm very pleased that Delilah, Craig's sweetheart, found a loving home. I did hear that all of Craig's furry kids found good homes. Thanks again to everyone who helped and supported our family! (On his behalf, "I Wish You More! ...Craig's Sister Donna)

“ *I had the privilege of working with Craig at Carpet Value Center and came to know him as a genuine good guy. He always worked hard and had a sincere care for others and the company. As he moved on in his professional career and I would run into him, nothing changed, he was just as kind and genuine as ever. He touched many lives with his living example of how to treat people and how to work hard. He will be missed*

“ *I hope you don't find this inappropriate, I did not know Craig, I came accross his name on Delilah's vet papers. We adopted her 2 days ago. Just wanted you to know she is in a good home. We have a big family and she such a sweet loving girl. We will show her lots of love and care. You can tell though she is missing her owner but we will help her through it. Sincerely, Nancy*

“ Craig was a friend and coworker, he was funny and kind. When I was having a bad day he would make a joke or do a dance to pick me up. He will truly be missed. I was truly shocked to hear the news. He had so much heart and kindness. May he be at peace.

“ Craig will be missed dearly. I had the privilege of working with Craig 22 years ago at Carpet Value Center and again for the past few years here at CCA Floors. I will miss all the conversations we would have about cars. It would start out being a conversation about the job he measured for me last night and then he would explain in great detail what type of flooring covering the customer had and next thing you know we would somehow be talking about corvettes. It was truly a pleasure to know Craig Roberts! Thanks for the memories.

“We have so many wonderful, happy & fun memories of you Craig. You helped guide & teach my boys w/the utmost respect & pure kindness. You hold such a cherished, special spot in my heart. I will always miss you & your warm smile, handsome face, perfect hair, hearty chuckle & thoughtful words of encouragement. I remember you holding Jack in the hospital when he was not even a day old & you told me he was the first baby you ever held. My boys had so much fun when you took them swimming and to Kings Dominion. Brian loved rebuilding your family home & going to car shows with you. Brian & the boys loved learning how to cut & install marble flooring w/you. You made a memorable huge impact on my life, Brian's & our sons. You were such a good & decent man; one of the best men I have ever known. May you rest in peace. Bless you Craig. We love you and miss you dearly. “ I worked with Craig for 5 years at Carpet Value Center and again years later at Mike's Flooring Companies. I remember the day Potomac Floor Covering walked through the office "on their field trip" before the merge. All these unknown, new faces, names to remember, new personalities...and then I saw Craig Roberts! We both smiled, gave that "AHHH HA! I know you!" look and laughed. I'll always remember Craig for his practical joker ways and larger than life sense of humor. And...LOL...karaoke at Gator's... "We are family!" Good times.

“ I had the privilege of working with Craig for a number of years at Potomac Floor Covering, Inc. He was a hard worker but also a lot of fun to be with. You wouldn't expect someone who worked on architectural drawings all the time to be so enthusiastic and funny. For his friends and loved ones he was incredibly generous and would do almost anything to help them. I can hear myself questioning Craig as to why he was doing something and he would simply say “Because he's my friend.” I haven't had contact with Craig for a couple of years but I feel his loss. He was truly one of my favorite people.

“ I worked with Craig at Potomac Flooring Covering for about 6 years. He was truly one of a kind with a laugh you could never forget and a smile that was contagious. We would talk a lot about music and his love for cars but most of all his love for his dogs. Craig, I hope you are at peace and may you fly high with those angels buddy!

“ We all miss Craig. I'm sad my kids didn't know him very well as they're so young. You never knew what fun thing he was going to do next

My favorite memory was trips to pick up gifts for people right before the event. It was just the funniest thing and we had the best conversations. Wed play music and he'd sing some crazy songs .I also met a friend or two during the process which shows that he was welcoming to even sharing friends.

So many memories. Gatherings at grandma's won't be the same. We have a teddy bear we named Craig after him because He gave it to kids for Christmas. It was Lils favorite for so long and now the bear is that much more meaningful.I hope to see many of you at the funeral

“ I worked very closely with Craig for 10 years at Potomac Floor Covering. I used to tell him, "I could ask you for the time and you'd tell me how to build clock". He was so extremely intelligent and always tried his best to make everyone laugh. He was famous for eating dry oatmeal and frozen peas at work. I loved him for his originality. It hurts my heart that he's no longer with us but I trust he's in heaven now with our former co-workers Bart, Ron, Mike and Billy, talking about our fishing trips and the good times we had. Craig was one of a kind. I'll never forget him and I pray that he's finally at peace.

“ I worked closely with Craig for several years at Carpet Value Center in Woodbridge, VA. Craig would stop and help others even if it was not part of his job. He helped me with a number of builder and commercial accounts throughout the years and always had a smile and a kind work for everyone he met. I considered Craig a good friend and I will miss him.
