“ I have been trying to think of how to express my sincerest sympathies and great fondness for Cindy. I was lucky enough to work at the Courthouse with her for a few years, the best way to sum it up: within 5 minutes of starting my job I had a new lunch buddy and mother hen to take care of me and guide me in the new job and quite a few life lessons and tons of laughter. Once you met Cindy you became part of her family. I feel so blessed to have been part of her family and will greatly miss her presence, her laughter and that look she gave a lot of us over her glasses. Sending prayers and love to the rest of her family. ❤️

“ Cindy and I had our own little way of communicating with each other. Most of the time we would see each other in the cafeteria at lunch time. She would sometimes hear me before she see me...lol! Her words to me was "Here comes trouble!" Lol! That was our little meet and greet to each other on a day to day basis. I will miss those words from her lips to me. RIP my friend.

“ Cindy was a Beautiful Soul and was always so upbeat and caring especially to the Deputies in the Courthouse, I loved her so much and she would ask me every time she saw me "how her baby (my daughter) was doing" and I was very sad to hear of her leaving so soon. My heart hurts but I know she is in a much better place and in the Arms of our Heavenly Father. Doug and Jake, you are both in my prayers and I pray that her memory will forever be in your heart. GOD Bless you and comfort you in this very difficult time.

“ It is hard to believe that Cindy is no longer with us. God welcomed a special niece into his arms. She is now surrounded with her family in heaven. May she rest in peace. Doug, David and Steve you are in our thoughts and prayers during this difficult time. She is now an angel that will be watching over you.

All our Love,

“ Whenever I had business to conduct at the General District Court Civil Clerk's counter, I had a big smile if Cindy was the one on-duty to help me. She was the consummate professional: thorough and knowledgeable. But she was more than that. Cindy was always friendly, welcoming, and had a caring personality. She was a treasured member of the Courthouse community. My deepest sympathy to the family. Sincerely, David A. Hirsch.

“ I met Cindy when I started at Brault Palmer in FFX in 2002, apparently when she started in GDC too. She greeted all with a smile and she was willing to aid this young lawyer along with Diane and Karen, in learning the "ins and outs" of the Fairfax General District Court. Thank you to her family for sharing her with us at the courthouse. May her rest this day be at peace.
