“ I still can't believe that Cindy won't physically be with us any longer. We were neighbors longer than 20 years. She and Teddy were always welcoming, caring and ready to chat a bit. My girls and I considered ourselves blessed because "Mrs. Lucas" always had a big smile for us. We enjoyed her grandchildren, her beautiful garden, her family reunions in her back yard and her extraordinary Christmas decorations all over her house, which enhanced the whole cul-de-sac. "Thank you, Cindy, it truly was a pleasure to have been your neighbor all those years." I will never forget you! Mr. Lucas and rest of the family, my family and I offer all our condolence for the untimely loss of your beautiful, artistic, lover of gorgeous things, wife. God bless you always, I will pay my respects in person on Monday.

All our love,

“ Cindy was a wonderful person, she always had a beautiful smile to greet you whenever I saw her. She helped me decorate Addy's in 2011 for my Toys for Tots Event which was an evening to remember my late husband Bob as well. She was a very caring and talented person who I will always remember fondly. My thoughts and prayers are with her family and friends, may she rest in peace.

“ *My family knows Cindy from City Tavern. She not only was an amazing waitress and knew her customers very well. She was an amazing person and loved her family and those grand children. We always talked about our grand children and things we enjoyed. She always had a contagious smile on her face and never complained about anything.*

“ Dear Cousins, I grieve with you all but I also think back during our childhood the fun times we had during the summers being sprayed by your mom with the hose, the games we played like Kickball, Dodgeball, the card game Knuckles and the like. I also remember how stylish Cindy would dress wishing I had some of those outfits or the famous Afro back in the day, so hold on to those times, love
