“ Dear Ruthie and Victoria,
I know you were not unaware that your mother and grandmother was nearing her call to heaven. No doubt she was longing for that day as well. Just think, she spent Mother's Day with her Lord, and with her beloved husband and son, who she had longed so to see again. Tonight, they are celebrating together the goodness and faithfulness of God. That celebration includes your beloved Mike as well. **AND THEY ARE ALL IN PERFECT HEALTH!** Think of it --- they are planning something really big, for when you and Victoria, and all we who likewise are looking upward, will be caught away "in a moment ... and so shall we ever be with our Lord." Cherish wonderful memories, cry a bit, but find strength in hope.

Ruthie, I just heard from Jackie Baldwin that your sweet mother has gained her eternal reward. She loved to pick at my husband and he adored her as we all did. May you be comforted by the Holy Spirit. I am sure you have heard that Ruth Bishop passed on Monday. I know they were friends and almost the same age. We love you.

Dear Ruthie, I am sorry for your loss. I trust God will bless you with peace during this difficult time. I have wonderful memories of your mom and dad. Your dad was the first superintendent I worked for and I so appreciate his leadership and his friendship. Your mom was such a joy to be around. God bless you abundantly.
