“ I was just thinking about Dan a few minutes ago and did a search online... I was very sad to hear of his passing. Wish I had known sooner. I use to be a NADP Agent under him years ago. I was supposed to get my contract but changed my mid after 3 years of some of the hardest work I've endured... He caught me at my desk one day and said Fred what is going on with you? You're supposed to be getting ready to go out and get an office. He said I've been watching you... He knew... He said you need to S&*t or get off the pot. LOL I chose get off the pot. I'll never forget him. I am very saddened for his family. He was a very good man. RIP Dan.

“ *Cathy and family,
Although it's been years since I first met your family they have been
in my heart.
Memories of Mr. Ferentinos smile and kind words made me smile
then and now.
I remember your beautiful wedding and the work he put into
choosing the music.
My thoughts and prayers are with you.*

“ Dan Ferentinos was a second father to me! My fondest memories are of his kindness, his smile and his laughter. When he first laid eyes on my child, at a mere few days old, I introduced him to her as " Mr. Dan"... He was quick to tell me that she WILL call him papi! And at that moment we became family! Thank you Dan for making my world a better place to live. For being honest and loving to me, my husband and my daughter. You will forever be one of the most amazing men that I have had the honor to know.
