“ Danny you will be greatly missed. Your smile , your laugh. and always fun to be around. Many great times out on the river in our Drag boats. A few trips to N.C. for the races. Our thoughts and prayers are with Susan and the family during such a sad time. Sorry I can be there in person.

“ I've known Danny since High school when we were hot rodding and cruising Arlington Co. After his major career with Exxon he retired to Arlington Co equipment division and it was fun to have an old friend at work in my last years there. I remember when he sold the houses on Vance St and moved to his shop in Haymarket. I had not seen Danny for a while until I went down to Lake Anna in June and visited with him while we tried to set ourselves on fire - while we were unsuccessful in getting the brush pile to burn. I will miss him. Mark Sneddon

“ I have so many fond memories of Danny. It would be impossible to estimate the number of times Officers came to him with a vehicle problem that should have taken days to fix. Danny would him drop whatever he was doing, fix the problem, and have the officer back in service in no time. So many times he kept officers on the streets, working, instead of sidelined with vehicle problems. As if that were not enough, he did it with a smile, a story, a joke, and true friendship.

I'll miss you Danny.

“ Too many memories to just mention one. Danny was an important part of our lives not just for racing, he always mentioned an open invitation for us to join the family at Lake Anna, or just come to hang out. I enjoyed every time I stepped through the gates of the race track. We talked about racing, family , work, retiring and I have many great memories. Thanks for that , such a wonderful person inside and out. Love to All

“ I have many fond memories of Danny. Fantastic sense of humor & many stories of racing, cars, lake anna & his family. His grumpiness was a facade that hid what a generous person he was. Rest in peace good friend.....

“ I was saddened to learn of Danny's passing this weekend. I always enjoyed his honesty, humor, generosity, and friendship. Although our shifts at the county barely overlapped, we often had a chance to share a laugh, a hug, or just "catch up". Those chances made my day and are cherished. My sincere condolences to Susan and the Paddock family.

Danny, you will be dearly missed. Suffer no more my brother.
Love, Andy
