“ Most people who know Danny and I know that there is no love loss between us but the greatest thing I can say for him is he gave us Daniel and if it weren't for him I wouldn't have my best friend. For those 2 reasons RIP Danny.

“ I met you so many years ago, we talked about everything anytime,any day. Then you and I decided we would date one another, even though it was for only about 6 months I wouldn't trade it for the world. We had many laughs, cried many tears over misc. things. At least we always remained friends. You always were there for anyone that needed something, RIP Dan, I will always remember the good times with you. Watch over us and I will see you again one day.

“ *I met Dan back in 1990 through my brother Patrick, I remember one good time with Dan when we rode to Fla with Dianne Dorman in her Camaro we came back the next day hit a few bars on the way and stopped at a ranch where we both had the chance to rope a steer and wrestle him to the ground. Just one of many memories. Rest in peace Dan you are missed!*

*“ I met Danny and Diane MANY years ago - when all were both just little kids. Our parents were best friends - we always enjoyed a visit from the family. Even after moving twice, we kept in touch with the family. One of the last times that I saw Rawley was when Danny drove him out to our house to watch the Superbowl. Dan also brought him down to our home on the Chesapeake bay. We had a great time fishing together. Rawley and Danny had a special gift - they could make you laugh no matter what! Miss Rawley and Winnie and will truly miss Danny.

“ Danny and his sister Dianne started out as friends many, many years ago, but as time went by they became family. Our bonds grew stronger through some of the worst times in our lives and have lasted through it all. I still can not believe you are gone brother, I feel I have lost a part of myself. I love you and I know you are with the people you have missed the most which helps me cope a little better with your passing. God bless you Danny.
