“ As an alumni member of L2F, I was extremely fortunate to have been mentored and received golf instructions from Dan. He loved Golf and he loved to share his knowledge of golf with all of us, L2F Warriors. My prayers are with his family.

“ I grew up with Dan and Haven. We graduated in 1970 from CASH. After graduation Dan and I attended Shippensburg University. Our neighborhood was full of boys and we enjoyed growing up together. We did all the normal stuff. Sledding, ball games, just "messing" around. I remember Dan as being a good football player. He and his family will be in my prayers. dave stevens

*Keith and I have so many fond memories of the good times we shared with Dan! NASCAR races, OBX and Sanibel beach trips, and the many golf courses we played! We wish so much that there would be more visits and shared experiences in NC and will miss him more than words can say. Rest in peace our dear friend! We will think of you often.
