

Daniel Wayne Patton

May 17, 1952 - November 28, 2025

Daniel Wayne Patton (age 73) of Catlett, VA passed away on November 28, 2025 after a long and courageous battle with cancer.

Danny was born to Carolyn and Arthur Patton on May 17, 1952 in Wise County, VA. His early years were spent in Pound, VA, before the family moved to Manassas, VA. He attended Prince William County schools and later followed in his father's footsteps working for Fruit Growers Express in Alexandria, VA, along with his brother and uncles. He became an experienced welder and used this skill to move on to Arlington Iron Works in Manassas, VA. His final career move before retirement was to the Prince William County Adult Detention Center, where he climbed the ranks becoming a 1st Sargent.

Danny was a man of many talents; he played the banjo and loved playing music with his family. In true DIY fashion, he had a talent for designing and building things, and was great with his hands. He loved to cook for family and friends, and was known to trade recipes.

Danny was known to have a tough exterior, but those who knew him best, knew he had a soft heart and would give you the shirt off his back. He loved his family and cherished the time he spent with them.

Danny was preceded in death by his parents Carolyn (Corena) and Arthur

(Clayton). He leaves behind his loving wife of 52 years, Sally Burgess Patton. Daughter Jessica Compton (Tyler) of Virginia Beach. Son Josh (Kara) of Waynesboro, VA. Brothers Randy (Donna), Tim (Yvette) and sister Kim Edwards. He also leaves many nieces and nephews and a big extended family, all of whom will miss him deeply.

“ I met Dan 21 years ago at the ADC and I can say that he was one of the best supervisors I’ve ever had. He was so down to earth and you knew he had your back, you had a problem, you knew you could go to him for help or if you just needed to vent, he was there to listen. Dan opened up his home to everyone and that’s how I met Sally. They hosted so many paintball games, haunted trails through the years that my kids, grown now, still talk about the paintball games. My husband had the pleasure of also working with Dan and became fast friends with him and this is devastating for him. Dan is truly just an amazing man and someone I looked up to as an example of kindness and generosity towards others. You will be missed greatly in body but your spirit lives on in all who knew you. My love and condolences to Sally, Jessica and Josh.

“ Loved listening and watching Danny and our family members sing, play their instruments and just enjoy the love and joy passed around to everyone. Danny was such a teddy bear with great big hugs.
