“ Johnny, Abigail, J,M,J and the rest of the family...my deepest condolences to you. Many prayers have been said for you to have strength and endurance during this time. I await the day that your baby girl will awake and leap into your waiting arms. But keep enduring until then. Sending much love to you all!

“ Johnnie, Abigail, and Family

Your loss is my loss. I loved Danielle very much. I had talked to her and as usual, her kind loving spirit said we'd get together soon.

I now will meet her at the call in the resurrection. Sleep tight my little princess until we meet again, I love you.
