“ For some reason, I thought of Danny tonight. So I decided to search his name.

Wasn't aware he passed away. We grew up together in Kenner, LA in the 80s. Only knew him and his mom, Ms. Janet. Hadn't seen him since the 1990. Sorry to hear about his passing. Rest in peace...

“ Danny was a joy to work with. I loved knowing he would be with us on night shift. He liked to play jokes like sneaking up on people... and for such a big guy (I'm small), he was very sneaky! He scared me so bad one night and everyone had a good laugh, including me. I think about him often and pray for his family. He was a truly wonderful person to be around.

“ OMG Janet and Family I can't put to words how truly sorry I am  
about Danny Jr.  
I knew him since he was a snot nosed kid along with Lil D running  
around lake shore drive with all of us Kenner boys. He was a good  
boy, Loved him like family. Remember he and LiID flew out to  
California to stay with his uncle Kenny and I one summer while we  
were working out here. God they were a pain in the butt, we had a  
blast. Janet We send our deapest thoughts and prayers with you.

My deepest condolences. We were a heck of a crew, Danny, David,  
Sean and I. I think I was close to Danny cuz he was closest to my age.  
As kids, one or two years makes a big difference. But deeper than that,  
I think because we were both fatherless teens we had a mutual  
understanding. We had the best times going out, playin ball, hanging  
out, playin Madden!! He left us to serve our country. Then the world  
was at his feet. He had all the best ideas!! He would just never follow  
through!! He should have been a billionaire by now taking care of  
everybody. He will be deeply missed. Love you my brother. Be at rest  
now..... George Stanley
